

Save it for them...

Don't
Pollute
Our Lake

**Vote
Yes**

on Tuesday, Aug. 3

for the

Rocky Mount Sewer System

- No hookup costs
- No monthly payments UNTIL you are hooked up
- No payment or cost to you at all if you are never hooked up
- No real estate or personal property tax increase
- No increase in tax appraisal because of sewer

Construction costs and interest rates will not be cheaper in the future. Jobs, property values, the availability of businesses and services, medical care, money for schools, etc. are all directly tied to the Lake. A clean lake benefits everyone.

On election day....vote for yourself! Yep, you heard it right! Vote YES for the Rocky Mount Sewer Bond Issue.... you improve the value of your property....you save yourself thousands of dollars if your septic system fails....you help keep your family safe by protecting their drinking water.....and you preserve the future of the environment for your kids and grandkids. What candidate can do more for you than that? So, you see, it's up to you. Vote YES for the Rocky Mount Sewer Bond Issue.

You've heard the saying...what part of no don't you understand. Well, when it comes to the Rocky Mount Sewer Bond issue, these are the no's you need to understand. NO hookup fees! NO payments until you are hooked up! NO costs at all if you are never hooked up! NO more water pollution! NO more costly septic system repairs! The only NO we don't understand is why anyone would consider a no vote. Please vote YES for the Rocky Mount Sewer Bond issue.
